

***Ruminata: “The Sexual Theory of Everything” and Other Apostasies***

*The Sexual Theory of Everything: Defining Life Itself*

“The world is not ruled by men; it is ruled by sperm.”

*Decline and Fall: The Tribal Mindset:*

“The foundation of tribal instincts is an underlying attitude - a presumption - that people who are like me are good and trustworthy, while those who are not are inferior and suspect.”

*Breeding: Know the Dog:*

“Preposterous as it seems, only scant provocation has ever been needed to loose the dogs of war and have the “chicken salad” tribe set upon the “tuna salad” people.”

*Marriage and Children: Bait and Switch*

“I will venture to say - and I understate - that the true nature of child rearing is not fully appreciated by those now willfully taking it on, but comes as an utter shock to many young parents, fathers and mothers.”

*Communication: The Tower of Babel*

We are now connected by technology in the instant manner of neurons, cells in the nervous system of a social organism.
